

JASON PIKE

Bestselling Author . Inspiring Speaker

*"I have been neck-deep
in shit and almost drowned,
literally, but I got out;
you can too!"*
~ Jason Pike

Meet Jason

The Army investigated him, arrested him, and tried to break him. Lieutenant Colonel Jason Pike is undoubtedly A Soldier Against All Odds. A decorated combat veteran with multiple deployments, Pike served 31 years in the United States Army as both an enlisted and officer, including nine years overseas in five countries. Jason earned over 30 service awards & badges and survived a wicked amount of Military training.

His book *A Soldier Against All Odds* compiles all his life events in an inspiring storytelling format with the ups and downs of a life in uniform. His diversity of Army jobs, assignments, and schools from age 17 to 48 sets this military memoir up differently than most.

Jason's brutal honesty on how he did it while disclosing many sacred secrets about how he survived is unique. With a straightforward account of one man's journey, he inspires audiences nationwide at speaking events and shows how to be resilient and to persevere no matter what disadvantages and life struggles may happen.

Why Book Jason As A Guest

With the struggle(s) facing many of us in our day to day lives, many search for a particular solution to help improve their wellbeing. In *A Soldier Against All Odds*, Jason perfectly informs someone facing personal struggles how they can take the steps necessary for a better tomorrow. Learn more now about how to feature *A Soldier Against All Odds*, interview Jason, or invite Jason to speak at your event.

Jason is an inspiring speaker and author. As there are various topics with rich content that Jason shares, he merges energy and enthusiasm to empower and embolden any audience.

While Jason routinely delivers custom content, his most popular topics include:

- Debut inspirational memoir, and bestselling book, *A Soldier Against All Odds* - a brutally honest tale of a soldier's unorthodox life, a rogue career, and an often-maverick character not easily aligned with the military credo.
- Jason's genuine and frank account—the good, the very bad, and the very ugly—of my thirty-one years in uniform.
- Jason shares how it is possible, through determination, careful application, and bold strategy, to overcome or compensate for personal humiliation and physical frailty.

SUGGESTED DISCUSSION QUESTIONS

- Diagnosed at age seven with an acute learning disability and failing first grade that year, you were sent back to repeat it. At age nine, you were diagnosed with osteomyelitis, a crippling bone disease dissolving the bone of your knee that added to my academic challenges and a significant physical disadvantage. When did you realize your life would be different and more challenging than most of your friends and family?
- Could you list one good, a very bad, and one very ugly situation of your thirty-one years in uniform?
- How did you manage to cope with stress, trauma, and adversity during these years in the military?

- How important was the role of your father in your life? In the book you mention a fight you had with him. How was it? And Why?
- How rewarding was it to start your military career at the age of seventeen and retiring at the rank of lieutenant colonel, after being told by so many people that none of it would be possible?
- Your story is one of survival, perseverance, and a refusal to quit, no matter what. Where did you get your inspiration from?
- If you had to highlight one takeaway from the book, what would that be? OR What is your goal with the book?
- Once you achieved all your goals everyone asked, "how the hell did you do it?" And many times, I asked myself the same question. How did you deal with self-doubt during the process?
- Who did you have in mind when writing the book?
- Where can people learn more about you and buy the book?

A Soldier Against All Odds

A brutally honest tale of a soldier's unorthodox life, a rogue career, and an often-maverick character not easily aligned with the military credo.

I Am a Soldier Against All Odds, and what follows is a genuine and frank account—the good, the very bad, and the very ugly—of my thirty-one years in uniform. Diagnosed at age seven with an acute learning disability and failing first grade that year, I was sent back to repeat it. At age nine, I was diagnosed with osteomyelitis, a crippling bone disease dissolving the bone of my knee that added to my academic challenges and a significant physical disadvantage.

With more than three decades of national guard and active service, after starting my military career at seventeen and retiring at the rank of lieutenant colonel, I was told that none of it would be possible. For that advice, there were undoubtedly excellent grounds. My story, therefore, is one of survival, perseverance, and a refusal to quit, no matter what, a characteristic gifted to me by my father. Once I did it, everyone asked, "how the hell did you do it?" And many times, I asked myself the same question...

In *A Soldier Against All Odds*, I show that It is possible, through determination, careful application, and bold strategy, to overcome or compensate for personal humiliation brought about primarily by my own mistakes, being haunted by investigations, academic difficulty, arrests, many ass-chewings, and physical frailty. I did pay the price for being me. This is how I did it, but most importantly, how I survived it.

The chronicle of life will inspire you to wince, cry, and laugh. I hope that the lessons I learned through the course of my life and my military career will be an inspiration to anyone confronting the future from a place of disadvantage.
